## Via Evaluation Named Winner for 2024 Best Places to Work

Via Evaluation (VIA) proudly announces its achievement as the top contender in the micro company category for Buffalo Business First's 2024 Best Places to Work! This recognition is a testament to the dedication of the company's leaders' time and efforts to cultivate a work environment that is both progressive and supportive.

As a small women-owned company, this recognition holds great significance for VIA. It symbolizes not only the company's standout status as a workplace in WNY but also its commitment to fostering a culture that promotes both professional growth and personal well-being.

"So grateful to the team Via Evaluation (WBE) for working with me and Komani Lundquist to make this a truly great place to work!" said Jessica Weitzel, President and Co-Owner. She and CEO and Co-Owner, Komani Lundquist work continuously to foster a company culture that is inclusive of every employee's workstyle, with emphasis on balance, progressiveness, and collaboration. Through initiatives such as a four-day work week and a hybrid model, employees are empowered to excel in their roles while maintaining a healthy work-life balance.

"Our team is at the heart of everything we do, and this achievement is a testament to their dedication and hard work. "We are deeply grateful to each and every member of our team who contributes to making VIA an exceptional place to work."

This recognition comes as another great milestone in VIA's journey as a small WBE in Buffalo, NY and serves as a catalyst for further innovation and growth. As the company continues toward greater success and achievements, guided by its core values of integrity, collaboration, and progressiveness, it remains committed to setting new benchmarks for workplace excellence.

**About Via Evaluation:** Via Evaluation (VIA) is a women-owned consulting firm that empowers organizations with clear data insights for program improvement, specifically serving schools, nonprofits, and community-based groups. We analyze data, craft user-friendly reports, and prioritize community input, allowing our clients to concentrate on enhancing their services and programs.
